What can we do for you?

WHAT WE HAVE:

- WSIB policy, guidelines, adjudicative support documents, historical and current versions
- WSIAT practice directions, medical discussion papers, historical and current versions
- Legislative history materials for the WSIA and all older versions of the Act back to 1914
- Medical textbooks, articles, and the AMA Guides 3rd ed. Rev.

WHAT WE DO:

- Answer reference questions by phone, email, or in person
- Provide research advice
- Scan and email materials to you (copyright allowing)
- Provide a public online catalogue so you can search our collection yourself

WHAT WE CAN DO FOR SELF-REPRESENTED PEOPLE:

- Provide public computers, printing, and photocopying
- Access to workers' compensation textbooks
- Answer reference questions and provide research advice
- Access to WSIAT decisions and help searching databases
- We **cannot** provide legal advice or opinions

Is there an older version of the WSIAT Medical Discussion Paper on back pain?

Are there any WSIAT decisions that grant entitlement to LOE during a recurrence when the injured worker is unemployed?

I have an appeal coming up. Can I find decisions similar to my case?

Was there an earlier version of WSIB policy 18-05-03 before June 1999?
